Translator introduction

All praise is due to Allah; we praise Him and seek His forgiveness.

We seek refuge in Allah from the evils of our souls and the wickedness of our deeds.

He, whom Allah guides, none can misguide him, and he whom He misguides, none can guide him.

I bear witness there is no deity worthy of worship in truth except Allah, alone, without partner.

His is the dominion and His is the praise.

He gives life and causes death, and He is over all things competent. Now then:

I have translated the book before you, entitled (**Sheikh Raslan's statement on the displacement of Palestinians**) by (**Mohammed Saeed Raslan**) because of the many benefits and advantages it contains for the Muslim.

This translation is my own effort. If I do well, it is from Allah and His guidance to me, and if I make a mistake, it is from myself and from Satan.

I ask Allah to make this work of mine purely for Him and to spread the word of truth throughout the entire earth and to teach Muslims who do not speak Arabic their religion that Allah has chosen for them.

The one in need of his Lord’s forgiveness: **Omar bin Ahmed Tohamy**.

Egypt's Stormy Crisis and the Dream of Greater Israel

بِسْمِ اللَّهِ الرَّحْمَٰنِ الرَّحِيمِ

Praise be to Allah, Lord of the Worlds. I bear witness there is no deity worthy of worship in truth except Allah without a partner. He is the protector of the righteous. I bear witness that Muhammad is His servant and Messenger, may Allah's prayers and peace be upon him, eternal and unchanging prayers and peace until the Day of Judgment.

Now then:

It is no secret that Egypt is going through a devastating crisis, perhaps the likes of which has never been experienced in this era. We are surrounded by crises from all sides.

The idiot in the Black House wants to tear the world apart and threatens us with an existential threat: to be or not to be. It is either Sinai or we die of thirst. He threatens with this.

He wants to achieve for the Jews what their most fanatical fanatics, from Theodor Herzl to this day, have never even imagined. He wants to achieve for them the dream of Greater Israel.

This includes the fact that this land you are sitting on now is included in this promise, included in the alleged promise in the false Torah from the god Yahweh, the god of the Jews, from the Nile to the Euphrates. This land is included in the promise.

The displacement of a people completely from their land and history

Today, they want to inflict injustice on an entire people by altering geography and history, obliterating all landmarks, and yet they care nothing for anyone.

The man wants to annex an entire country—Canada—so that it may become a state of America, and he will achieve what he wants!

He looks at Denmark and says, "I want to annex this island—called Greenland!"

He addresses journalists at a press conference, with a table in front of him, saying, "The Middle East is like this table." Then he picks up a pen and says, "And Israel is as small as the tip of this pen!"

The man is mad!

The man is mad!

And his madness has dawned on us—to Allah we belong and to Him we shall return.

This is serious business, no joke. They want to deport an entire people, displace them, and expel them from their homes, their land, their history, their heritage, and even their religion, without justification, except to say, "Our Lord is Allah." And they want to reverse the situation!

These gangs of scum, scum of the earth, who gathered in the Holy Land, became a state due to the persistence of negligence among the owners of the land, the owners of the right, and the owners of the religion.

The scum became a state, and they want to turn this state into scum. They want to displace the Palestinians not just to Sinai or Jordan, so that if we refuse, they say, "No problem, he'll fight us with something else." He propose seven states, and in another account, nine states, for the Palestinians to emigrate to, so that not a single Palestinian remains in the Gaza Strip or the West Bank, and they promise a stable life, prosperity, and lasting bliss.

What is this happening?

What is our role in this historical circumstance?

After the destruction of the Iraqi and Syrian armies, the destruction of Hezbollah, and the assault on the existing capabilities, even in the Gaza Strip, nothing remains except the Egyptian army.

So what is our role now?

Our role now must include two tasks:

The first task: To repent to Allah, for no calamity or affliction descends except through sin and disobedience, and none of that is lifted except through repentance to Allah Almighty.

So let us repent to Allah, as individuals and as groups!

Let us repent to Allah individually and collectively!

Let us all repent to Allah!

And let us all return to Allah!

And let us supplicate to Allah to keep our homeland safe, guide our leadership, and keep it steadfast in the truth.

This is part of the role entrusted to us, for which we will be questioned before our Lord and for which we will be questioned before history until the Day of Judgment.

As for the second task: It is for us to be of one heart, to be of one man!

A call to Egyptians, Arabs, and Muslims in general: Do not leave the Egyptian president alone!

Our president will go in a few days to meet the man in the Black House, so he should not go alone. It is not permissible. It is not right for him to go alone. One hundred and twenty million Egyptians and hundreds of millions of Arabs and Muslims should go with him, supporting him and standing behind him.

Ignite social media and platforms with your support for your army, standing behind it, sacrificing everything cheap and expensive for it, and also with your support for your leadership and your president.

And tell the whole world: before he speaks or announces a political position, the popular will of Egypt, as well as the Palestinian and Arab people, precedes him in declaring: We do not accept humiliation!

Why should we give up our religion for the sake of humiliation?!

We eat dust, cover ourselves with the sky, and sleep on the ground, but we do not give up our religion for the sake of humiliation!!

The necessity of unity now and rejecting differences

This is serious business, no joke!

Put aside your differences and hold them accountable later. Disagreement is not permissible now, regardless of its cause; for that is treason, and a terrible form of support[1].

We ask Allah

to keep our homeland and all Muslim homelands safe.

To protect our country and all Muslim countries.

To guide our leadership and the leaders of Muslims.

To be kind to us, to be generous to us, and to subdue our enemies.

O Allah, turn their plots against them and turn the tables on them.

O Allah, count them and destroy them completely, leaving not a single one of them.

May Allah's prayers and peace be upon our Prophet Muhammad, his family, and all his companions.
